be bold.

We are a diverse and talented team, each with our own unique background and experience. Yet, we share common values and the commitment to deliver impactful solutions and drive transformative change.

r6catalyst has become the trusted partner for delivering management, marketing, and operational excellence.

r6catalyst

WHO WE ARE

r6catalyst is a diverse and multidisciplinary team of strategic thinkers and innovative problem solvers.

We specialize in developing and delivering programs and projects in strategic planning, organizational transformation, marketing and communications and change management. Our ability to create tailored outcomes to your unique challenges stems from a deep understanding of your needs.

As a boutique firm, we offer the agility, attention to detail, and hands-on involvement of our principals, while delivering the expertise you would expect from a larger consultancy — making us a trusted partner you can rely on.
